

Kurdish Resource Webinar Launch

Following the publication of the Romanian and Roma cultural guide in 2023, the Albanian and Vietnamese cultural guides in 2024, and the Chinese cultural guide in 2025, the MSOICU have pleasure in announcing the launch of their new Kurdish cultural resource to support front line officers and staff in the engagement of Kurdish nationals.

The launch will take the format of a MS Teams webinar on:

19th March 10:30-12pm

Guest speakers from academia, law enforcement and the NGO sector will be sharing their expert knowledge on topics such as historical background, reasons for migration and interaction with authority, with highlighted tips for officers and staff throughout.

The resource handouts will be distributed following the webinar.
